After a long build up the season is finally underway, this year we have 15 teams over the 7 grades, with 5 U7 teams this year, ensuring a good future for the club going forward. So welcome to all those new players and their parents / caregivers.

PLAYER OF THE DAY PRESENTATIONS / SPONSORS

This year we will be having teams having their presentation at each of the Premier home games, this is a good chance for the parents to come along and have a catchup with the presentation to be made at approx 5.30. We are very grateful to our sponsors that support the Player of the Day awards, with Video Ezy, McDonalds Family Restaurant, Blackstone Bar and Café and Marlow Pies providing vouchers and goods. Please ensure you support them. The roster for club day is;

Sat 16th June Un10's / Un9's

Sat 14th July Un8's / Midgets

SEVEN ASIDE – Sunday 3rd June

The time is fast approaching for our annual Seven a Side tournament on Queens Birthday Weekend Sunday 3rd June. Please note we have decided to stay with playing on the Sunday with Monday as a reserve day.

As you will be aware this event takes a lot of planning and organizing and requires a large number of helpers on the day. We will be asking parents to give half an hour of their time to assist with the manning of the four shops/foodstalls we run. We appreciate everyone wants to watch their children playing however we ask that you consider the time and effort your coaches put into your children during the season and especially organizing this event, so when the coaches request volunteers to assist with the shops please consider this.

SATURDAY SHOP ROSTER

We will be rostering all teams on the shop on Saturday morning during the course of the season, we have a sub-committee that will coordinate the duties and help with opening and closing on the day. Each team should only be called on once during the season so your assistance will be appreciated when your coaches ask for volunteers. The shop hours are 9.30-11.30, the shop is one of the Junior clubs main fundraisers during the season.

SOCKS & SHORTS

The shorts are available for purchase at Postie Plus and the socks are available at The Canterbury Shop, there is a limited stock of some sizes still available at the junior shop which is open on a Saturday mornings.
